

Due to the rapidly evolving developments and public health implications in the potential spread of COVID-19 (Coronavirus) and our responsibility to the general public well-being, we are closing as a public health precaution in response to the recommendations from the Center for Disease Control and the Illinois Department of Public Health. All access to the public with respect to programs, services, and facilities, including Westwood, Duis Center, Emerald Hill, Dillon Home Museum, Sterling-Rock Falls Historical Society and the District Administrative Office are suspended effective Tuesday, March 17, 2020 at 7:00 pm.

Full operations are tentatively scheduled to resume at all Sterling Park District facilities beginning Monday, March 30, 2020. All programs and special events will resume on April 6, 2020.

A prorated credit will be given to each program participant effective by a program cancellation. A credit will be given to or Annual Total Fitness pass holders accordingly, when our facilities reopen.

The Park District will be monitoring developments closely and will update our plans for resuming operations and other related details on our website and on our social media outlets.

Thank you for your patience and understanding during this unprecedented time.
